Clio's Offerings

Clio Manage

Legal practice management software

Our most popular product—the industry's leading solution to help manage clients, organise cases, keep track of time, and automate tedious tasks, and month-end billing.

Clio Grow

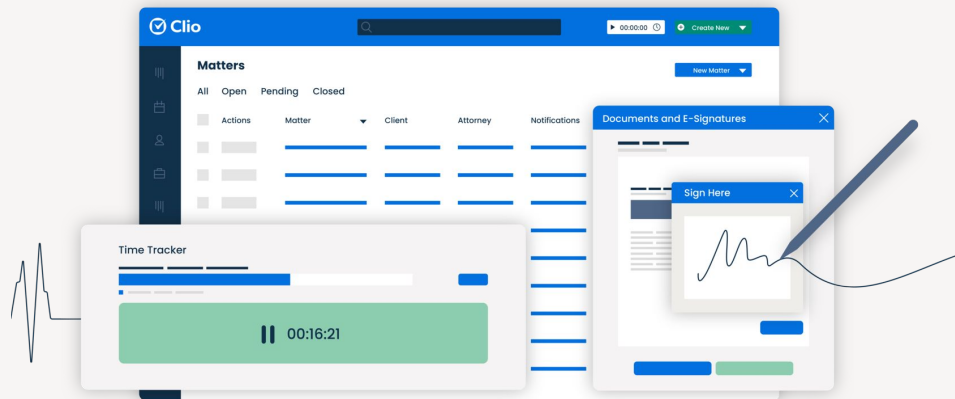

Client intake and legal CRM software

Standardise the client intake process with online intake forms, email automation, and e-signatures to build strong relationships, and get powerful data insights to grow your firm.

The Clio Suite

Legal practice management, client intake and CRM software. Get unmatched performance with Clio Suite, the industry's only end-to-end software solution for your firm.

Visit clio.com/uk/pricing to learn more.
